

# 5m COB LED Strip Light Kit 22262 (CCT) & 22263 (RGB+W)

Before first using your new Brilliant Strip Light Kit, it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Keep this document handy for future reference.

## DIY Installation (LED Driver Indoor Use ONLY)

**WARNING** : Power socket and any alteration or additions to building wiring must be done by a licenced electrician or person authorised by legislation to work on the fixed wiring of any electrical installation.

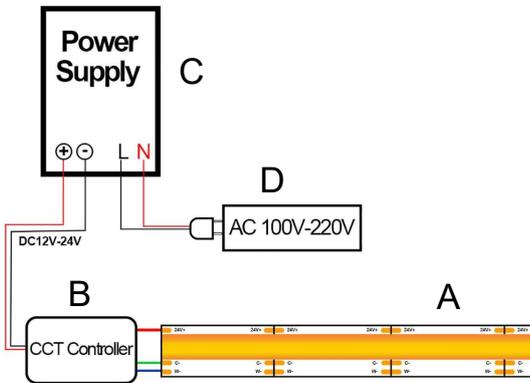

### FOR YOUR SAFETY:

- If you are in any doubt as to the installation of this product, please consult a qualified electrical contractor before proceeding.
- Children should be supervised to ensure that they do not play with the appliance.
- The strip light kit is for indoor use only.
- Installation must follow Australian Wiring Rules AS/NZS 3000.
- There are no user serviceable parts within this strip light kit.

### Your LED Strip Light consists of the following components:

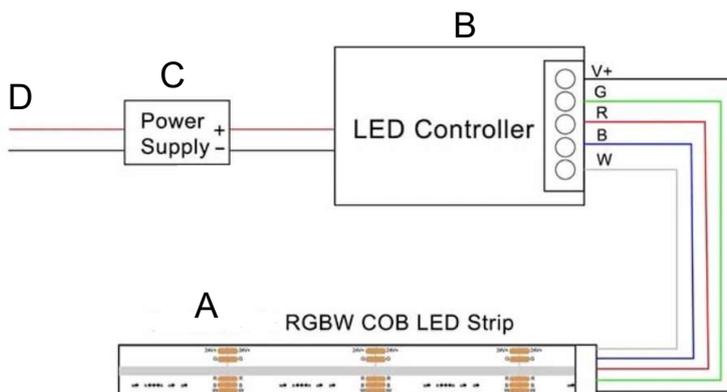

- 1 x Power Supply with inline switch and concentric barrel plug.
- 1 x LED RF controller.
- 1 x RF Remote control
- 1 x 5m Roll of LED Strip, with self-adhesive backing.

### Typical Application for CCT COB strip light:

1. Connect COB LED strip light (A) to the LED controller (B).
2. Connect the output of the power supply unit (C) To the input of the LED controller (B).
3. Plug the Input power cord (D) of the power supply into the wall socket and switch power on with the inline switch.

### Typical Application for RGB+W COB strip light:

1. Connect COB LED strip light (A) to the LED controller (B).
2. Connect the output of the power supply unit (C) To the input of the LED controller (B).
3. Plug the Input power cord (D) of the power supply into the wall socket and switch power on with the inline switch.

## 22262 (CCT) & 22263 (RGB+W)

### Warning:

The remote control contains a Lithium-Ion Button Battery. If the battery is swallowed it can cause severe or fatal injuries within 2 hours. Keep batteries out of reach of children. If you think a battery has been swallowed or placed inside any part of the body, seek medical attention immediately.

### Health and Safety concerns.

If it is suspected a button/coin battery has been swallowed or otherwise inside of any part of the body, a person should contact the Australian Poisons Information Centre on 13 11 26 immediately for 24/7 fast, expert advice.

### Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 1 years from date of purchase or as specified elsewhere. For products used in non-domestic or commercial applications, Brilliant Lighting warrants this product for a period of 3 months from date of purchase. This warranty is only valid for products installed and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, e.g. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only. Brilliant Lighting does not warranty the costs of removal or re-installation of this product or associated components.

*Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.*

Any claim under this warranty must be made within the specified warranty period from date of purchase of this product. To make a claim under the warranty; at your own expense take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
