DIY INSTALLATION

This fitting can be installed by qualified personnel (*)

(*)- If unsure about installation it is recommended to contact a Qualified Electrician

NOTE: This product is suitable for installation into existing Track-light System Model No.: 22128

INSTALLATION:

Spotlight Heads installation:

- 1) Turn the power OFF.
- 2) Turn handle 'H' into OFF position (to close the contacts) then at desired location slide track-light head 'S' into the existing track in correct orientation with Earth and Neutral contacts facing the Groove. (Fig 1).
- 3) While pushing the spotlight Head 'S' into the Track, turn Handle 'H' into ON position until it locks.(Fig2 & Fig 3)
- 4) Adjust Spotlight into desired direction and select desired colour temperature via switch 'D' located on the rear side of the head. (Fig4)
- 5) Repeat fitting procedure 1)-4) for other track-light heads.
- 6) Turn the power ON. Switch the light on at the wall switch.

Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 3 years from date of purchase or as specified elsewhere (Globe not included). For products used in non-domestic or commercial applications, Brilliant Lighting warrants this product for a period of 3 months from date of purchase. This warranty is only valid for products installed and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, e.g. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only. Brilliant Lighting does not warranty the costs of removal or re-installation of this product or associated components.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within the specified warranty period from date of purchase of this product. To make a claim under the warranty; at your own expense take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
