		ITEST3760 MODEL			
		L	LR	LRC	LRM
Class I		●	●	●	●
Class II		●	●	●	●
Extension Leads		●	●	●	●
Pass/Fail	Test Results displayed along with PASS/FAIL	●	●	●	●
Test Fail	Flashing Red Warning Indicator	●	●	●	●
Mains	Wiring Safety Check	●	●	●	●
NO/NC Alert	Appliance Not Connected or Switched On Alert	●	●	●	●
Continuity		●	●	●	●
Insulation	250/500V	●	●	●	●
Polarity	Extension Lead Test	●	●	●	●
Meter Mode	Watts, Volts, Amps, VA	●	●	●	●
Leakage			●	●	●
RCD	Trip Time		●	●	●
	Ramp Test		●	●	●
Power Test	Power Factor, VA, Volts, Amps			●	●
Connectivity	Interface via USB to connected PC			●	●
Software	Included			WinPATS Base	WinPATS Memory Base
Memory	Stores 5,000 Test Results (downloadable to PC)				●
20A	Suitable for testing up to 20 Amps				ITEST3760XLM

Optional Accessories

ITESTEST1000 **Earth Strap** 1 metre long used to wrap around the appliance under test to cover a greater testing surface for the connection of the earth lead

ITESTEWL **Earth Bond Lead and Clip**

ITESTXL **Extension Lead Adaptor**

ITESTISOTII **Isolation Transformer** 10A 240V AC used to avoid tripping the installation RCD

ITESTISOTAD **Isolation transformer adaptor** to allow up to a 20A plug to be used with the isolation transformer maximum 10A load.

ITESTCL **IEC to Clover Leaf adaptor**

ITESTF8 **IEC to Figure Eight adaptor**

ITEST3PA **Single phase to 1x 3 Phase adaptor up to 32A** (3 Phase plug configuration required when ordering)

ITEST3MPA **Single phase to 2 x 3 Phase adaptors up to 32A** (3 Phase plug configuration required when ordering)

Software

ITESTLOGBK Stand- alone electronic log book for record keeping

WinPATS Full version software for ITEST3760LRC allowing multiple sites and unlimited recording of test results (ITEST3760LRC must be connected to Laptop/P.C.)

WinPATSMEM Full version software for ITEST3760LRM allowing multiple sites and unlimited recording of test results. (Data can be up/downloaded to or from ITES3760LRM any time)
