

## SHIELDLUX VANDAL-RESISTANT LED BATTEN

### Features

- Installation: Surface mount
- High impact resistant opal diffuser
- Vandal-resistant design
- Dust and water resistant
- Lumen output: 900-950lm
- High efficiency SMD2835
- CRI: >80Ra
- Average lifetime: 30 000hrs
- Individually boxed in merchandise packaging

### Specifications

Product Number: NLS20300

Base and Diffuser: Polycarbonate

Screws: 316 Stainless Steel

Led Chip Type: SMD2835

Wattage: 12W

Input Voltage: 220-240Vac 50/60Hz

Power Factor: >0.9

LED Driver: Non dimmable

Operating °C: -10°C—45°C

Operating Humidity: 0-90%

IP Protection: IP54

IK Resistance: IK08

### Application

Ideal for residential areas, industrial warehouses, public buildings, shopping centres, schools and security applications
