Data Specification 2018
1300 071 378

Description

The PLATINUM Series range of switches and socket outlets are the architects' choice at only 1mm thick. Manufactured from brushed stainless steel 316 material, ensuring it will not corrode in demanding applications. Mechanisms are rated at 240V AC 10AX, switch contacts are made from a silver nickel coating to prevent arcing and terminal screws are made from solid brass. All PLATINUM Series products come with a 10 Year InHouse Warranty. Available in stainless steel with either white or black, from 1 to 6 gang. 84mm screw centre mountings.

Features

- 1.2mm Thick
- Available in White and Black
